Location: Kun-ming Army Barracks Southeast AL-I is located 7.4 nm east-south-east of the city of Kun-ming.

General: This report provides additional information to the DIA basic report on this installation, RDA 07/0008/70. Kun-ming Army Barracks Southeast AL-I, November 1969, (TOP SECRET RUFF). Item numbers 25X1 parenthesis after buildings are keyed to the DIA report. The number in parenthesis after dimensions (e.g., 7w) indicates the estimated building capacity for wheeled vehicles. Square footage is shown for barracks, quarters, messhalls, and storage facilities. In some instances, measurements and identification of functional areas and buildings may differ from those in the DIA report.

This installation is probably capable of accommodating a headquarters unit and supporting elements in Areas I and II of the DIA report (Areas Aa-Ae, Ba, D and E) and a subordinate artillery regiment in Area III of the DIA report (Areas Af, Ag, Bb and C).
